## VNM | Vidrio Soplado Decorado

### **Un laboratorio de forma y color**

El vidrio, cuya naturaleza es maleable, tiene únicamente límites impuestos por los moldes que lo definen y delimitan.

Pero esas mismas piezas encuentran nueva vida cuando se les añade color y textura.

### **Estilo, vanguardia y diseño**

Seguimos las tendencias y usos del color para crear nuevos ambientes, para revivir piezas clásicas y para adecuar escenarios.

La paleta de creaciones que tenemos a mano sólo está limitada por nuestra imaginación y la de nuestros clientes.
